

Kamloops Wolves 2017 3 on 3 League

Welcome back to 3 on 3 for Spring 2017. We are pleased to offer our very popular 3 on 3 league to player's birth years 2010-2000. League will include 8 games with 1 bonus Introductory Power Edge Pro Session (train like Connor McDavid)

Novice/Atom – Ages 2010-2007 – For 2010 Birth year we recommend strong skaters who may be looking to play development hockey

Atom/Pee Wee Ages 2006-2004

Bantam/midget – Ages 2003-2000

Kamloops Wolves Hockey offers the Only Full Ice Non-Stop Action Super Fast, incredibly fun and if you ask parents from last year. really exiting hockey to watch! What we do is take a full rink and play a 3 on 3 Game plus goalie. The rules are designed to have continuous play and the only time we stop is to do a penalty shot or to end a period or game. This makes for lots of skating with lots of room for that special move you may not have tried before! We are looking for 4 teams of up to 12 players per team including a goalie.

Dates: We will start our schedule End of March and will go to the first week in May. Games will be played on Monday to Friday and will start between 430 pm to 9pm. last year we played at Valleyview and Brock arena and that should be our locations this year as well.

Cost \$225 includes 3 on 3 Jersey, 8 games with ref and scorekeeper and 1 introductory Power Edge Pro Session per Participant

Division – we do not restrict players based on age we want to make a balance league so we will try and place each player in a division that makes to most sense based on play level. There is no contact in any division.

Novice /Atom Division

First and Second Year Novice players moving into Atom and first year Atom Players going into their second year. We will also consider stronger 2010 player's who just want to work on there game a bit before novice. This is a great way to learn the full ice game as we have offside rules and full rink play.

Atom/Pee Wee Division

Atom Players moving into Pee Wee next year and First Year Pee Wee players moving to second year. Second year pee wee players may continue in Pee Wee division if they want to work on their game.

Bantam/ Midget Division

2nd year Pee Wee players moving into Bantam and 1st year bantams going into second year. We also welcome 2nd year bantams and midget players too. There is no body checking so we are happy to invite older hockey players still playing minor hockey.

Coaches and Helpers – we welcome parent helpers to help coach, opening gates, score keeping and time clock. Please indicate if you can help in any way.

Power Edge Pro Session - Kamloops Wolves Hockey Program also runs the Power Edge Pro Training System for Kamloops. This patented program balances power skating with stickhandling to develop hockey players in an environment that they would play in. Train like Connor McDavid. An introductory session will be offered to all 3 on 3 participants and a full schedule of PEP training will be posted for this spring and summer to register in.

How to Register – Please contact the Program Director to request at spot. Please let us know which Division you would like to be placed in.
